We are aware that students are working incredibly hard and we don't want them to be working late into the night. They also need to have breaks away from the screen. They should use this time to catch up on their independent practice from their previous lessons. If they would like to consolidate any topics from their learning, they can use: <https://www.bbc.co.uk/bitesize>, <https://www.thenational.academy/>, or can use our post on reading to find information on how to find quality reading material online.

Variation in online teaching for KS4

For KS4, we will post one lesson per class, per week rather than running a live lesson. This is so that students can manage their time and, importantly, can take breaks from the screen. The timetable for KS4 is below:

Year	Mon	Tues	Wed	Thurs	Fri
Y10 WP	OPT B	OPT A	SCI & OPT C	MATHS	ENGLISH
Y10 FIB	SCI p2	ENG/CS	MATHS	CS/ENG	ENGLISH
Y11WP	OPT C	MATHS	OPTA	ENGLISH & OPT B	SCI
Y11 FIB	ENG/CS	MATHS	CS/ENG	ENGLISH	SCI
