

## Futures Institute Catch Up Funding:

**Futures Institute has been allocated funding of £4640**

Item	Reason for item	Allocated funds	Intended impact	Impact
10 chromebooks	To replace old/damaged chrome books in Futures Institute so that we have two full class sets for use in lessons. Older chrome books that still work will be loaned to year 11 who have no device at home.	£2100 @ £210	To provide much needed access to reliable technology in school To provide our most vulnerable students with access to Google Classroom and other online resources	Never arrived but got some from DfE
Dongles	For those families with no internet at home	No price yet but £210 set aside		Never arrived but got some from DfE
Core subject revision resources	English/Maths/Science exam revision books and resources	£972	To provide a variety of resources to support intervention/catch up/revision sessions both in school and at home over the next year	
Tassomai	An online subscription resource, accessible on phones as well as on pcs, which breaks down revision in Science but also now Maths/English into bitesize chunks. Used successfully in previous year 11 cohorts.	£576	An online resource accessible on phones as well as on pcs, to support learning both in school and at home.
