- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

In preparing this document, consideration has also been given to Department for Education (DfE) guidance: [The Equality Act 2010 and schools.](#)

This document also complies with the Academy's funding agreement and the articles of association of the Aspirations Academies Trust.

2. Roles and responsibilities

The Regional CEO and Regional Board will:

- Ensure that the equality information and objectives referred to in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are updated at least every 4 years

- Monitor success in achieving the objectives and report back to the Regional CEO and Regional Board

All the Academy's staff are expected to have regard to this document and to work to achieve the objectives as set out in appendix 1.

3. Fulfilling our responsibilities under the Equality Act

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It helps us in tackling issues of disadvantage and underachievement of different groups.

Our approach to equality is based on the following key principles:

- All learners are of equal value
- We recognise and respect difference
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging
- We observe good equalities practice in staff recruitment, retention and development
- We aim to reduce and remove inequalities and barriers that already exist • We have the highest expectations of all our children

Set out in subsections (a) to (c) are key measures taken by the Academy to fulfill the public sector duty set out in paragraph 149 of [The Equality Act 2010](#) .

The following measures are considered instrumental to the achievement of all aspects of the duty:

- Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.
- New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September.

3(a). Eliminating discrimination

In complying with the provisions of the Equality Act 2010 relating to the elimination of discrimination, the following are key measures taken by the Academy:

- Where relevant, the Academy's policies include reference to the importance of avoiding discrimination and other prohibited conduct. For example, the Behaviour Policy sets out that discriminatory behaviours such as prejudicial bullying are not acceptable and identifies how such behaviours will be addressed.
- Relevant incidents, e.g. racist incidents, are recorded, responded to and monitored. Summary information is reported at Regional Board meetings and used to measure the effectiveness of the Academy's policies and practice inform further development of these.
- Curriculum content is regularly reviewed to ensure it is appropriate in the context of the responsibility to eliminate discrimination, e.g. by avoiding negative stereotyping.

3(b). Advance equality of opportunity

As set out in the DfE guidance on the Equality Act, the Academy aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or pupils who identify as gay who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the Academy will:

- Provide teaching of the highest quality to ensure children reach their potential and all pupils are given equal entitlement to success
- Regularly monitor the curriculum to ensure that it meets the needs of all pupils
- Use information gathered about pupils' progress to identify underachieving groups or individuals and plan targeted interventions
- Ensure that all pupils have the opportunity to access extra-curricular provision
- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information

- Make evidence available identifying performance against key equality indicators
- Listen to and monitor views and experiences of pupils and adults to evaluate the effectiveness of the Academy's policies and procedures.

3(c). Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of the curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and external speakers will be invited to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the Academy. For example, the school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

4. Equality considerations in decision making

The Academy always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, consideration is given to whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

Equality impact assessments will be made when undertaking activities, and developing policies and procedures that may have an effect on a group with protected characteristics.

5. Monitoring arrangements

This document will be approved by the Regional Board.

The Regional CEO will ensure that the Academy's published equality information, particularly as set out in section 3(a) to 3(c) of this document, is reviewed at least every year and that in conjunction with the review, further information is appended for the purpose of reporting on progress towards the objectives set out in appendix 1.

A full review will be undertaken of the objectives set out in appendix 1 no later than 4 years following the date of them being established and new objectives will be established at that time.

The undertaking of the review and establishment of new objectives will be subject to approval of the Regional Board with reference to Trust policy.

Appendix 1

Specific and measurable equality objectives for period from July 2022 to July 2026

These objectives are based on work we need to do to enact our duty as set out in paragraph 149 of the Equalities Act (2010).

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

Objective 1

To ensure enrichment and out of school activities are made accessible to all pupils, including those with disabilities and special educational needs, to eliminate discrimination and ensure the best possible educational outcomes, by:

- Ensuring consideration is given to equality when arranging school visits and school based activities;
- Addressing any barriers to pupils' engagement in school visits and school-based activities through the planning and risk assessment processes.

Why have we chosen this objective?

We have chosen this objective as it is crucial that all students have equal opportunity and access to enrichment activities on the campus. Our school population includes a number of students who are new to English and EAL along with a significant group of students who are SEN.

How will this be measured and evaluated?

Data collected through registers for visits and school events will be used to show that students from these groups are fully involved in the wide range of enrichment activities on offer. In addition to this, stakeholder voice will determine whether opportunities for enrichment are appropriate for all and barriers have been addressed.

Impact: Futures Institute- June 2024

A new EVC was appointed and a new system adopted to simplify the process and encourage staff to run school visits and events, minimising cover, cost and impact on learning.

New EV flowchart shared with staff ensuring that all aspects of EV planning is covered. The robust system involves the SENCo, AP, VP and Head of the school to ensure all students have equal access to enrichment activities in and out of school.

Data show an increase of EV and uptake with all year groups and sub-groups since Term 1.

Teaching and support staff are invited to participate in EV to provide experience amongst all staff as well as ensuring support is available to individual students

All medical records as well as individual needs are shared with the trip leader. Risk assessments are created for every trip.

All paperwork is checked and approved by the EVC and the Principal.

Specific Enrichment activities are sourced to encourage engagement (ie. Free visit to Harwell Campus with free transport)

All activities are reviewed.

Cultural differences and religions are celebrated (BHM, IAM, PRIDE, etc.)

Next Steps June 2024

An inclusive year plan for the following academic year is in place. All departments are offering at least one enrichment opportunity per year group per year.

Continue to develop strong links between Futures Institute and external providers to ensure opportunities are repeated.

Whole year experiences are being offered (end of yr9 trips, yr7 team building trip)

DoE to continue as an offer for students.

Enrichment activities are systematically advertised on social media to encourage wider participation.

Grants and subsidies are applied for whenever possible to reduce costs.

SLT and the SENCo will continue to ensure that risk assessments are in place.

Information to parents will be shared in a variety of languages.

Objective 2

To improve knowledge, skills and attitudes to enable pupils to appreciate and value difference and diversity, by:

- Promoting equality with regard to race, gender, sexuality, disability, religion and ethnicity in our school curriculum.
- Promoting equality with regard to race, gender, sexuality, disability, religion and ethnicity in our assemblies
- Monitoring and evaluating pupils' attitudes and knowledge around diversity and equality.

Why have we chosen this objective?

We have a very diverse community, and historically there have been some racially motivated issues in our local community.

How will this be measured and evaluated?

Leaders will monitor coverage of equalities through curriculum monitoring and assembly monitoring. Student voice and work scrutiny will be used to evaluate students' knowledge, skills and attitudes to diversity issues. Reporting on equalities information through reports to the Regional Board. Behaviour records will be monitored and where there are concerns, these will be addressed with follow up support to individual pupils.

Impact: June 2024

Futures Institute: Futures Institute: In most recent data (June 24) incidences of racism have fallen from 4 in term 3 to 0 in term 5. No transphobic or homophobic incidents have occurred in the last three terms, compared with 2 homophobic incidents recorded in Term 2 of the academic year 2023-4

Comprehensive spiral PD programme delivered once a week for every year group to inform students and discuss topics, helping break down barriers and creating a more equitable future for all (eg. British Values and their importance in modern society in yr7, Promoting inclusion and challenging discrimination in yr9, Roles and responsibilities with the community in 6th Form)

Updated curriculum to promote diversity and equality (incl. Key women and black people throughout history, afro-caribbean art, other cultures and perspectives in poetry, gender identity in Macbeth, understanding poverty in A Christmas Carol, etc.) incorporating diverse perspectives and experiences. Students learn to appreciate and respect differences, fostering a more inclusive society.

Comprehensive assembly programme promoting Trust and Campus values as well as celebrating differences and cultural and religious diversity.

Whole school events, displays and social media posts promote students' voices, values, interests and successes.

Next Steps:

Review of the assembly programme, in line with the Trust programme to bring consistency of content and language

New Personal Development staff planning teams and mentors delivering. New timetable in response to staff voice. Personal development delivered by mentors at KS4.

Further reduction of recorded unkindness in behaviour reports.
