Dear Sixth Form Parents, Carers, and Students,

We are now approaching our first month of the academic year, and I want to share how proud I am of our Sixth Form community. Our Year 12s have adapted brilliantly to the demands of Level 3 study, while our Year 13s are diving straight into UCAS applications, degree apprenticeship pathways, and leadership roles.

As in-class assessments approach over the coming weeks, workloads are increasing, but our students are handling these step-ups with real maturity and ambition.

Student Leadership & Enrichment

It has been fantastic to see so many students running and supporting extra-curricular activities, including Chess Club, after-school sports, subject mentoring, and lower-school homework support. Staff feedback has been overwhelmingly positive: our Sixth Formers are proving to be outstanding role models and ambassadors for our campus.

Period 5 Home Study Privilege

To reward our students' hard work with greater autonomy, we are introducing a **Period 5 Home Study Privilege** following October half-term. Students with a scheduled study period during Period 5 may study at home after their RA session, provided they meet these criteria:

- **Parental Permission:** Consent submitted via https://bit.ly/BACP5.
- **Punctuality & Attendance:** Zero unexcused latenesses and a minimum **96% attendance**.
- **Academic Engagement:** Consistently positive effort across all subjects.

This privilege is reviewed regularly, offering ongoing opportunities for students to earn or regain it.

Attendance & Reporting Absences

Strong attendance directly correlates with post-18 success, and we expect all students to maintain at least **96% attendance**. If a student is unwell, **absences must be reported directly by a parent or carer** on the morning of each absence to ensure safeguarding standards are met.

Mobile Phone Expectations

In line with Department for Education guidance, mobile phones are not permitted across the main school site. Sixth Formers may use devices in designated Sixth Form areas during breaks, but phones must be put away out of sight the moment students step downstairs or into common school areas.

Dress Code Update: Professional Standards

To help prepare students for university interviews and modern workplaces, we are refining our dress code following a Trust-level review.

- **Tailored Blazers/Jackets:** All students (male and female) are now required to wear a tailored suit jacket or blazer with smart trousers, tailored skirts, or smart dresses.
- **Implementation Timeline:** Students have a grace period until **Monday, 12th October** to source attire.
- **Financial Assistance:** Bursary funding (16–19 Bursary Fund) is available for eligible families. Please contact the Sixth Form team in confidence.
- **General Reminders:** Tops must cover the torso fully, male students must wear a tie, and footwear must be black, polishable shoes (black trainers are strictly not permitted).

Looking Ahead

We have an exciting term ahead, including upcoming career workshops, university visits, and student leadership initiatives.

Thank you for your ongoing partnership and shared commitment to raising the bar for our young people. If you have any questions, please reach out to the Sixth Form team.

Warm regards,

Jon Bent

Head of Banbury Aspirations Campus Sixth Form
